

Leting Zhang

University of Delaware
Alfred Lerner College of Business and Economics
324 FINTECH Innovation Hub
591 Collaboration Way, Newark, DE 19713

Phone: (302) 831-6959
Email: letingz@udel.edu
Homepage: <https://letingz.github.io/>

Employment

University of Delaware

Assistant Professor of Management Information Systems	2022 - present
Institute for Financial Services Analytics (IFSA) Affiliated Faculty	2025 – present
Data Science Institute Affiliated Faculty	2023 – present

Education

Temple University

Ph.D. Management Information Systems	2017 – 2022
--------------------------------------	-------------

Huazhong University of Science and Technology

M.A. Management Science and Engineering	2014 – 2017
---	-------------

Hubei University of Technology

B.S. Management Information Systems	2010 – 2014
-------------------------------------	-------------

Research Interests

Topics: IT Risk Management, Health IT, Economics of Information Systems.

Methodologies: Econometrics, Analytical Modeling, Natural Language Processing.

Publications

Leting Zhang, Sunil Wattal, and Min-Seok Pang. (2024). Does a Make My Data More Insecure? An Empirical Study on Health Information Exchange and Data Breaches." *MIS Quarterly*, (48: 3) pp.873-898.

Leting Zhang, Emre M. Demirezen, Subodha Kumar. (2024). How to Make My Bug Bounty Cost-Effective? A Game-Theoretical Model. *Information Systems Research*, 36(2):1031-1053.

Working Papers

Santhosh Srinivas, **Leting Zhang**, Huigang Liang. "Vendor-Originated Vulnerabilities and Data Breaches: A Large-Scale Empirical Study of Threshold Effects and Mitigation"
Stage: Major Revision at Information Systems Research

Xi Wu, **Leting Zhang**, John D’Arcy, Panos Constantinides. "How Data Breaches Shape Digital Product Development: Evidence from Mobile Apps"
Stage: Major Revision at Information Systems Research

Santhosh Srinivas, **Leting Zhang**, Kevin Hong. "How Human-AI Decision Rights Shape Cybersecurity: Empirical Evidence on Data Breaches"
Stage: Under Review at Information Systems Research

Jingshu Luo, **Leting Zhang**, Hilal Atasoy. "Patient Portal Adoption and Medical Malpractice Risk"
Stage: In preparation for submission.

Leting Zhang, Taha Havakhor, Sunil Wattal. "Peer Data Breaches and Cyber Risk Disclosure Quality: Evidence from US Public Firms."
Stage: In preparation for submission.

Leting Zhang, Taha Havakhor, and Rajiv Sabherwal. "Does Access to Information Technology Resources Reduce Rise in Regional Unemployment Amidst Global Disasters? Insights from COVID-19 in the United States."
Stage: In preparation for submission.

Shuhua Wu, **Leting Zhang**, and Sunil Wattal. "How Displaying Healthcare Statistics Affects Maternal Health: An Empirical Investigation"
Stage: Drafting

Yihong Chen, **Leting Zhang**, and Kevin Hong, "When GAI Safety Risk Becomes Salient: Market Responses and the Divergent Roles of GAI Characteristics"
Stage: Drafting

Conference Proceedings

Santhosh Srinivas and **Leting Zhang** (2026), How Human-AI Decision Rights Shape Cybersecurity: Empirical Evidence On Data Breaches. ECIS 2026 Proceedings. 10.

Leting Zhang and Min-Seok Pang. (2019). Does Sharing Make My Data More Insecure? An Empirical Study on Health Information Exchange and Data Breaches. In ICIS 2019 Proceedings.

Qiuhong Wang, **Leting Zhang**, and Mengke Qiao. (2017). Online Hacker Forum Censorship: Would Banning the Bad Guys Attract Good Guys? In Proceedings of the 50th Hawaii International Conference on System Sciences.

Presentations and Talks

Jingshu Luo, **Leting Zhang**, Hilal Atasoy. "Patient Portal Adoption and Medical Malpractice Risk"
2026, Conference on Health IT and Analytics (CHITA), Washington, DC

Shuhua Wu, **Leting Zhang**, and Sunil Wattal. "How Displaying Healthcare Statistics Affects Maternal Health: An Empirical Investigation"
2026 Statistical Challenges in Electronic Commerce Research(SCECR), Tokyo, Japan.
2026, Conference on Health IT and Analytics (CHITA), Washington, DC

Xi Wu, **Leting Zhang**, John D'Arcy, Panos Constantinides. "How Data Breaches Shape Digital Product Development: Evidence from Mobile Apps"
2025 Workshop on Information Systems and Economics (WISE), Nashville, TN.

Santhosh Srinivas, **Leting Zhang**, Huigang Liang. "Vendor-Originated Vulnerabilities and Data Breaches: A Large-Scale Empirical Study of Threshold Effects and Mitigation"
2025 Workshop on the Economics of Information Security (WEIS), Tokyo, Japan.

Leting Zhang, Guoxin Wang, Jiaheng Xie, Kevin Hong, Kanliang Wang. "User Identity Salience and Hate Speech in Social Media"

2024 Workshop on Information Technologies and Systems (WITS), Bangkok, Thailand.

Leting Zhang, Taha Havakhor, and Sunil Wattal. "Peer Data Breaches and Cyber Risk Disclosure Quality: Evidence from US Public Firms."

2023 Conference on Information Systems and Technology (CIST), Phoenix, AZ.

2023 INFORMS Annual Meeting, Phoenix, AZ.

Leting Zhang. "Three Essays on The Economics of Information Security."

2021 Workshop on Information Technologies and Systems (WITS), Austin, TX.

Dissertation Session.

Leting Zhang, Taha Havakhor, and Rajiv Sabherwal. "Does Access to Information Technology Resources Reduce Rise in Regional Unemployment Amidst Global Disasters? Insights from COVID-19 in the United States."

2021 Workshop on Information Technologies and Systems (WITS), Austin, TX.

2021 INFORMS Annual Meeting, Anaheim, CA.

2021 Conference on Information Systems and Technology (CIST), Newport Beach, CA.

Leting Zhang and Subodha Kumar. "How to Make My Bug Bounty Cost-Effective? A Game-theoretical Model."

2019 Conference on Information Systems and Technology (CIST), Seattle, WA.

Best Student Paper Award Nomination.

Leting Zhang, Sunil Wattal, and Min-Seok Pang. "Does Sharing Make My Data More Insecure? An Empirical Study on Health Information Exchange and Data Breaches."

2022 Binghamton University, Fordham University, University of Delaware, The City University of New York - Baruch College

2021 Chinese University of Hong Kong - Shenzhen.

2019 International Conference on Information Systems (ICIS), Munich, Germany.

2019 Workshop on the Economics of Information Security (WEIS), Boston, MA.

2019 INFORMS Annual Meeting, Seattle, WA.

2018 Conference on Information Systems and Technology (CIST), Phoenix, AZ.

2018 (9th) Conference on Health IT and Analytics (CHITA), Washington, D.C.

Services and Professional Memberships

Reviewer

Journals: MIS Quarterly, Information Systems Research, Production and Operations Management, Journal of the Association for Information Systems, Information Technology and Management, European Journal of Information Systems.

Conferences: International Conference of Information Systems (ICIS), Pacific Asia Conference on Information Systems (PACIS).

Session Chair

INFORMS Annual Meeting, 2023

Membership

Association for Information Systems (AIS)
INFORMS

2017 - present
2017 - present

Teaching Experience

University of Delaware

Instructor MISY330 Database Design and Implementation (4.1/5.0) Spring 2023

SWUFE-UD

Instructor MISY330 Database Design and Implementation (Undergraduate Level) Spring 2025

Instructor MISY330 Database Design and Implementation (Undergraduate Level) Spring 2023

Temple University

Instructor MIS2502 Data Analytics (Undergraduate Level) (4.1/5.0) Fall 2020

Teaching Assistant MIS2502 Data Analytics (Undergraduate Level) Spring 2020

Huazhong University of Science and Technology

Teaching Assistant Managerial Economics (Graduate Level) Fall 2015

Trainings

Fox Online & Digital Learning - Online Teaching Certificate Summer 2020

IT Teaching Workshop Summer 2019

Fox Teaching Academy Summer 2019

Awards and Funding

General University Research (GUR) Grant (\$ 15,000) 2024

Lerner Faculty Research Grants (\$ 5,000) 2024

Cochran Award for Excellence in Research 2021

22th Young Scholars Interdisciplinary Funding (\$2,500) 2021

19th Young Scholars Interdisciplinary Funding (\$2,000) 2019

18th Young Scholars Interdisciplinary Funding (\$750) 2019

17th Young Scholars Interdisciplinary Funding (\$1,000) 2018

Technical Skills

R, Python, Java, SQL, Git, STATA, Mathematica

Last updated: August 31, 2026
